

# I Never Thought I'd Get This Lonely

Harry Nilsson

I never thought I'd get this lonely  
I never thought I'd feel this way, way  
Daytime, nighttime, mean nothing to me  
Wrong time, right time, what can it believe me?  
I love you.

I never thought I'd feel this low-down  
I never thought I'd feel this way  
Since you left me, heaven help me, what am I to do?  
Who will need me? Who will feed me? When I'm through with you?  
Do you still love me? Please, say you do.

I never thought I'd feel this empty  
I never thought I'd have to pay, yeah  
I'm bottom hungry for your lovin', thirsty for your wet  
While the glow of love is growin', how can one forget so quickl  
y?  
Believe me, I'm sorry, woe is.

I never thought I'd feel this guilty  
But now it's just too late to mend  
Why I could say I'm sorry for a lifetime  
But in the end it still would be the end.

I never thought I'd feel this empty  
I never thought I'd have to pay, yeah  
God, I'm hungry for your lovin', thirsty for your wet  
While the glow of love is growin', how can one forget so quickl  
y?  
Believe me, leave me, I'm sorry.

Then she said: 'Oh'  
I never thought I'd feel this guilty  
But now it's just too late to mend, oh yeah  
I could say I'm sorry for a lifetime  
But in the end it still would be the end.
