

It's Been so Long

Harry Nilsson

It's been so long
It's been so long
It's been so long since I kissed you
Oh Lord knows how I missed you
Gee you're looking gee, but you're looking so fine
It's been so long since I held ya
Oh yeah I've been... just to tell ya
Gee you're looking gee, but you're looking so fine
La, la, la, la, la...
It's been so long
It's been so long
It's been so long since I kissed you
Oh Lord knows how I missed you
Gee you're looking gee, but you're looking fine
It's been so long since I held ya
Oh yeah I've been... just to tell ya
Gee you're looking gee, but you're looking fine
La, la, la, la, la...
It's been so long
It's been so long
