

Let the Good Times Roll

Harry Nilsson

Come on baby, let the good times roll
Come on baby, let me thrill your soul yeah
Come on baby, let the good times roll
Roll all night long

Come on baby, yes this is real
Come on baby, show me how you feel yeah
Come on baby, let the good times roll
Roll all night long

Feels so good
Now that you're home
Come on, baby, rock me all night long

Come on baby, don't you lock the door
Come on baby, let's rock some more
Come on baby, let the good times roll
Roll all night long

Feels so good
Now that you're home
Come on, baby, rock me all night long

Come on baby, let the good times roll
Come on baby, let me thrill your soul
Come on baby, let the good times roll
Roll all night long

Roll on [repeat and fade]
