

## Living Without You

Harry Nilsson

The milk truck hauls the sun up, the paper hits the door  
The subway shakes my floor and I think about you  
Time to face the dawning gray of another lonely day  
It's so hard living without you.

It's so hard, it's so hard  
It's so hard living without you.

Everyone's got something, they're trying to get some more  
They got something to get up for but I ain't about to  
Nothin's gonna happen, nothin's gonna change  
It's so hard living without you.

It's so hard, it's so hard  
It's so hard living without you.

It's so hard, it's so hard  
So hard.
