

Loop De Loop

Harry Nilsson

Do you want to sing a loop de loop de loop de loop loop?
Well hold it just a minute
Watch me now.

Here we go loop de loop
Here we go loop de lie
Here we go loop de loop
On a saturday night.

We're having a party
Everybody having a good time yeah
Well the gang's all here
And they're dancing there
I'm looping with this baby of mine.

Here we go loop de loop
Here we go loop de lie
Here we go loop de loop
On a saturday night.

Darling, are you ready
To loop de loop a loop with me?
Well stop right there
And wait ust a minute
Till I can count to three, one-two-three now.

Here we go loop de loop
Here we go loop de lie
Here we go loop de loop
On a saturday night.

Pick your partner
Oh pick your partner
Let the boys have it.

Here we go loop de loop
Here we go loop de lie
Here we go loop de loop
On a saturday night.
