

## Marchin' Down Broadway

Harry Nilsson

When we go marchin' down Broadway again  
Representing free women and men  
Yes we'll all give a hand as they march by stand  
For those wonderful heroes that finished Japan.

We'll remember Wake Island and Guam (Guam!)  
Say a prayer for those boys that are gone  
Boys and girls will be united and we'll all be invited  
To go marchin' down Broadway again.
