

Swee'pea's Lullaby

Harry Nilsson

Swee'pea...

Everybody needs to have somebodys
Even if it's only me
So stops yer cryin' Swee'pea
An' trys to go to sleeps
I don't knows how you got here
I don't knows if you cares
You coulda comes from Heavens
Or a typhoon anywhere

Oh me I came from Heaven
Of Catalina Lagoon
And I was told me mammy
Gave me up in a typhoon

So don't you cry, little Swee'pea
You and me, we's both the same
And the biggest tear I ever seen
Was in the eye of a hurricane

Go to sleep, sleep sleepy
I'll tell you what you sees
And someday when you's older
I'll tell yous all about me
