

# Ten Little Indians

Harry Nilsson

Ten little Indians standing in a line  
One stood looking at another man's wife  
Then there were nine

Nine little Indians  
Their hearts all full of hate  
One took another's goods  
Then there were eight

Eight little Indians  
They just got down from heaven  
One told a lie about another's best friend  
Then there were seven

Seven little Indians  
All tryin' to get their kicks  
One thought he found another way to get to heaven  
Then there were six

Six little Indians  
All trying to stay alive  
One took another's life  
Then there were five

Five little Indians  
All trying to find the door  
One pulled his mother down  
Then there were four

Four little Indians  
All thinkin' that they gotta be free  
One little Indian forgot to say his prayers  
Then there were three

Three little Indians  
Deciding what they're gonna have to do  
One took the name of God in vain  
Now there were two

Two little Indians  
Thinkin' that they ought to have some fun  
One took a liking to a picture of himself  
Now there was one

One little Indian  
Out lookin' for the sun  
At six o'clock the moon came out  
Then there were none
