

# The Most Beautiful World in the World

Harry Nilsson

You come to the end  
And the light there is dimmer  
And chances are slimmer  
Of findin' your way  
You find that you stay out  
Of trouble and danger  
'Cause everything's stranger  
Than it used to be

You're a scary old place out there, world  
But I couldn't be happy without you  
And I swear all my thoughts are about you  
The most beautiful world in the world

Well the light can be bright there  
And everything's right there  
The end of the night there might be a big band  
Or a heavenly choir  
Or it might be the fire  
But no matter what happens  
I bet it's OK

You're a scary old place out there, world  
But I couldn't be happy without you  
And I swear all my thoughts are about you  
The most beautiful world in the world

Your mountains when you're mad  
Your rivers when you're sad  
And those deep blue seas  
I love you for your snow  
Your deserts down below  
I love the way you wear your trees

The most beautiful world in the world  
And though there are times when I doubt you  
I just couldn't stay here without you  
So when you get older  
And, over your shoulder  
You look back to see if it's real  
Tell her she's beautiful  
Roll the world over  
And give her a kiss and a feel  
So long, folks!  
Goodbye, Harry.  
See you next album, Richard.  
GOODBYE!
