You made me love you
I didn't want to do it
I didn't want to do it
You made me want you
And all the time you knew it
I guess you always knew it

You made me happy sometimes Sometimes you made me glad But there were times, dear You made me feel so bad

You made me sigh for
I didn't wanna tell you
I didn't want to tell you
I want some lovin', that's true
Yes I do, indeed I do, you know I do

Give me, give me, give me what I cry for You know ya got the brand o' kisses that I'd die for You know you made me love you

You made me sigh for
I didn't want to tell you
I didn't wanna tell you
I want some lovin', that's true
Yes I do, indeed I do, you know I do

Give me, give me, give me what I cry for You know ya got the brand o' kisses that I'd die for You know you made me love you
