

# I Will Carry On

Hartmann

I see the sunlight fading away  
And I know this is no place to stay  
Guess it's time to leave

I'm never running on to the past  
Cause the good times and things never last  
To some sweet sweet memories

So I will run fast as I can  
Even this long road never ends  
And I will carry on until I know where I belong  
And I will carry on

The price that you paid and love that you chose  
Sometimes I'm not sure or to win or to loose  
When I'm leaving all behind

The love that you give and tears that you bleed  
I don't wanna hurt you but I'm not what you need  
You stay forever in my mind

And I will run fast as I can  
Even this long road never ends  
And I will carry on until I know where I belong  
Yes I will carry on  
Till my time has come

Run fast as I can  
Even this long road never ends

So I will run fast as I can  
Even this long road never ends  
And I will carry on until I know when where I belong

So I will run fast as I can  
Even this long road never ends  
And I will carry on until I know when where I belong

I'll carry on oh oh
