

## As Lambs

### Haste the Day

You send us out as lambs amongst the wolves  
But the lion stands by our side  
You will be my guide  
I need you to lead me  
I am so weak without you  
I'm tired of fighting  
I need you to fight for me  
You will be my guide  
Jesus  
Your voice is so sweet to my ears  
Jesus  
I desire to be close to you  
Fill me with your Spirit God  
You've given me a sword to kill my enemies  
Father, take these struggles from me
