

Janet's Planet

Haste the Day

Walk me to the desert and leave me
I'll dig my own way home
Walk me to the desert and leave me
Walk me to the desert and leave me
I'll dig my own way home

Walk me to the desert and leave me
I'll dig my own way home
I'll dig my own way home

Walk me to the desert and leave me
I'll dig my own way home
Walk me to the desert and leave me
I'll dig my own way home

Walk me to the desert and leave me
I'll dig my own way home
