

## Song of Faith

Haste the Day

Letting go of your hand  
I walk alone again  
On this path, in this pain  
My flesh burned away  
My body broken  
Thought I was strong

I see the perfect day  
I won't walk away  
(2x)

I gave my faith to the wind today (wind today)  
I won't let you make the same mistake (same mistake)  
It seems so easy to walk away (walk away)  
Remember how it used to be  
I'll never (never)  
I'll never (never)  
I'll never (never)  
I'll never  
Make the same mistake

And I'll never

And I'll never make the same mistake  
Of letting go of your hand  
(2x)
