

## Darkness By Oath

Hate Eternal

Welcome To My Realm Of Hate  
So Pure  
Revel In My Disgust So Obscure  
Writhe In My Rage  
This Relentless Stage  
Of My Existence In This State

I Swore By Oath Of Darkness  
Of Legion  
Of One  
I Swore By The Truth

I Swore My Alliance To Darkness  
Of Legion

Of Many  
I Swore By My Faith  
By My Strength I Await The  
Ever Present Overboding Entities  
Initiate My Path Of Deceit  
Initiate My Reign Of Disdain

Bring Forth Decades Of Misery  
Return Thyself To The Throne  
Emancipate Thee From Binding  
Restraint

Bring Forth Centuries Of Pain  
Return Thyself To The Eternal  
Reign  
Emancipate Thee From Binding  
Restraint
