## **Escape**

Hatebreed

Feel no pain, but my life ain't easy
I know I'm my best friend
No one cares, but I'm so much stronger
I'll fight until the end
To escape from the true false world
Undamaged destiny
Can't get caught in the endless circle
Ring of stupidity

Out for my own, out to be free One with my mind, they just can't see No need to hear things that they say Life is for my own to live my own way

Rape my mind and destroy my feelings Don't tell me what to do I don't care now, 'cause I'm on my side And I can see through you Feed my brain with your so called standards Who says that I ain't right Break away from your common fashion See through your blurry sight

Out for my own, out to be free One with my mind, they just can't see No need to hear things that they say Life is for my own to live my own way

See them try to bring the hammer down No damn chains can hold me to the ground

Life is for my own to live my own way
