

Evil Minds

Hatebreed

Horrible plans of hate they're tending
The evil minds with plans predicting
Bitter vibes of hate they're sending

Broken heart and mind is mending
Deflective action onslaught ending
Crazy plans of fame descending

Horrible plans of hate they're tending
The evil minds with plans predicting
Bitter vibes of hate they're sending

Broken heart and mind is mending
Deflective action onslaught ending
Crazy plans of fame descending
And conspiracy is all I fear
