Sick of Talk

Hatebreed

Don't ask me stupid questions I don't have the answers to Don't tell me about your problems Cause I'll just ignore you

I'm sick of talk I'm sick of talk Don't talk to me at all Sick of talk I'm sick of talk Don't talk to me at all

You bore the shit right out of me All the things you say you do Not the least bit interested Don't wanna have to listen to you

I'm sick of talk I'm sick of talk Don't talk to me at all Sick of talk Sick of talk Don't talk to me at all
