

Worlds Apart

Hatebreed

Conditioned to feel nothing. We turn our backs on all the crimes. They say
what we don't know won't hurt us, but nothing could be further from the
truth. Cries fall on deaf ears, and the killing continues.

In your uncaring life - we are worlds apart.
In this race doomed to fail - we are worlds apart.
In this system you support - we are worlds apart.
In my soul - we are worlds apart.
