

# You're Never Alone

Hatebreed

This is for the kids who have no where to turn  
Who have nothing to live for  
You think you haven't the will to persist  
You have to search within yourself

All the work that you've done in vain  
Been overlooked and taken for granted  
Only you can end your suffering  
You must be honest with yourself  
You have nothing left to lose  
You feel that everyone's out to get you  
Been beaten down but the hate still breathes  
Confined by consequences, it's your soul you must release

It's our struggles that define us  
And the hardships we endure  
Your spirit can't be broken now  
You've come too far

All your life  
You told yourself you were never alone  
All your time  
Spent on the problems that have no solution  
In your mind  
Giving up was never an option  
Out of spite  
Hold onto the hate that has helped you stay focused

You are one but you're never alone  
You can't atone for every promise you've broken  
In this moment there's no way you will fail  
You must be honest with yourself  
Use your pain to achieve your goals  
Make amends while you can and stay focused  
You can't be burdened by your lack of control  
Never stray from the path you have chosen

(It's our struggles...)

(All your life...)

(This is for the kids...)

This spirit can't be broken (3x)  
It's who you are

(It's our struggles...)

Forever  
Forever  
Forever convicted (2x)
