

# The Slain

Hatesphere

The Dead care little if they seep or rise again  
Who's gonna raise these chins now  
Who's gonna look out through these eyes  
Who's gonna wear this skin now  
Who's gonna mourn us if we die again

Who's gonna break these bones now  
Who's gonna grasp and swing these swords  
Who's gonna throw these stones  
Fight for eternity for our lord

The slain care little if they sleep or rise again  
The slain care little if they sleep or rise again

[Solo: Heinz]

Who's gonna clench these hands now  
Who's gonna set the world ablaze  
Who's gonna rule these lands now  
Who's gonna tear away your face

The slain care little if they sleep or rise again  
The slain care little if they sleep or rise again

The dead care little if they sleep or rise again

The slain care little if they sleep or rise again  
-Cause we've been to hell and back  
We have nothing left to fear in this world or the next

Doom!

Who's gonna break these bones now  
Who's gonna grasp and swing these swords  
Who's gonna throw these stones now  
Fight for eternity for our lord
