

## Maternal Instinct

Haujobb

"We deal in substance by extreme prejudice"  
I walk (NOTE: not right)  
Potential disorder  
Demoralized forces  
Anti research  
Control from beginning  
    glance DNA  
An object known to save  
"We deal in substance by extreme prejudice"  
events supposed to cease  
Unborn genetic fingerprints  
Events supposed to cease  
slaying in events  
A bright motion desires  
life  
A lone enemy sounds  
Mirror shakes apart  
    of your life  
Of your life!  
protect the words  
Be silenced  
Be silenced  
"how, Jobe?"  
"I fucking lived, heh heh heh"  
(gets tricky)  
Right eva?lindar stress  
Escalating solitude  
Useless mortal remains  
Extradition to another absolution  
Fragile grounds  
Volunteer involuntary  
Events supposed to cease  
Be silenced  
Events supposed to cease  
Be silenced!  
Be silenced!
