Get It

Havana Brown

We party people, we party hard Life is short, so live it large Turn up your speakers, so we can be Dancin' free free free free We party people, we party hard Life is short, so live it large Turn up your speakers So we can be Dancin' free free You can find us in the club With our hand up in the air Showin' everybody love Live it up like we don't care Everybody say (eh eh eh 19x) Get It ! Get It ! We ride that boom boom, we ride it hard That 808, my superstar And we all want it, no second chance Baby let's dance, Dance dance dance We ride that boom boom, we ride it hard That 808, my superstar And we all want it, no second chance Baby let's dance, dance You can find us in the club With our hands up in the air Showin' everybody love Live it up like we don't care Everybody say (eh eh eh x19) Get It ! You can find us in the club With our hands up in the air Showin' everybody love Live it up like we don't care You can find us in the club With our hands up in the air Showin' everybody love Live it up like we don't care Everybody say (eh eh eh x19)
