Warrior

Havana Brown

I am a fighter, eh eh, it's in my DNA Step by step, and brick by brick, nobody stopping me Quit trying to shoot me down, 'cause I'm invincible I think you made a mistake, I am a warrior

I stand like a soldier, yeah Strike like a tiger I stand like a soldier, yeah Punch like a champion

I'm gonna dance, dance, dance to the beat of my drum Gonna feel my blood running wild and young Gonna dance, dance, dance to the beat of my drum Like a warrior

Warrior Warrior Warrior Warrior

I am a blizzard, eh eh, so don't get in my way
I keep on blowing 'til there's nothing left in front of me
You wanna take my crown, but I'm invincible
You are a venomous snake, but I'm a warrior

I stand like a soldier, yeah Strike like a tiger I stand like a soldier, yeah Punch like a champion

I'm gonna dance, dance, dance to the beat of my drum Gonna feel my blood running wild and young Gonna dance, dance, dance to the beat of my drum Like a warrior

Warrior Warrior Warrior Warrior

People can say what they wanna say
When I'm in the ring, baby, I'm heavy-weight
I'm not gonna run when I hear them call, hear them call

I stand like a soldier, yeah Strike like a tiger I stand like a soldier, yeah Punch like a champion

I'm gonna dance, dance, dance to the beat of my drum Gonna feel my blood running wild and young Gonna dance, dance, dance to the beat of my drum Like a warrior
