

## Get The Knife

Have Heart

name me one thing that you have ever stayed true to besides the trends.

you change, you switch you go with the motherfucking seasons.  
so tell me just why should I ever trust you  
when I know you're not true. when I know just what friendship  
meant to you...NOTHING

the cooler crowd walked on by you dropped me like a bad habit  
so all your talk of brotherhood proves you're a lying sack of s  
hit

I think you've got things confused I'm not your fucking latter  
for you to gain some higher ground. especially when good will  
isn't even abound.

your fucking tune, it's old as time  
so don't feed me that bullshit line  
I see our friendship. what's it for?  
I'm cutting you off because I've seen friends like you before

you scum, you fuck, fucking scum

don't call yourself my friend  
and then leave me in the dust  
what's wrong? what's wrong with you?  
your intentions aren't true  
what's wrong? what the fuck's wrong with you?  
it's every fucking thing you do  
don't sing to me
