

Words

Hawk Nelson

They've made me feel like a prisoner
They've made me feel set free
They've made me feel like a criminal
Made me feel like a king
They've lifted my heart to places I've never been
They've dragged me down back to where I began

Words can build you up
Words can break you down
Start a fire in your heart
Or put it out

Let my words be life
Let my words be truth
I don't want to say a word
Unless it points the world back to You

You can heal the heartache
Speak over the fear
God, your voice is the only thing
We need to hear

Words can build us up
Words can break us down
Start a fire in our hearts
Or put it out

Let my words be life
Let my words be truth
I don't want to say a word
Unless it points the world back to You
Let the words I say
Be the sound of Your grace
I don't want to say a word
Unless it points the world back to You

I want to speak Your love
Not just another noise
I want to be Your life
I want to be Your voice

Let my words be life
Let my words be truth
I don't want to say a word
Unless it points the world back to You
Back to You
Let the words I say
Be the sound of Your grace
I don't want to say a word
Unless it points the world back to You

Words can build us up
Words can break us down
Start a fire in our hearts
Or put it out

I don't want to say a word

Unless it points the world back to You
