

Bring It On Home

Hawkwind

Baby
Baby
I'm gonna bring it on home to you

I done bought my ticket, I got my load
Conductor done hollered, "All aboard"
Take my seat, ride way back
And watch this train move down the track

Baby
Baby
I'm gonna bring it on home to you

I think about the good times I once have had
Soul got happy now, my heart got glad
I think about the way you love me too
You can bet your life, I'm comin' home to you

Bring it on home
Gonna bring it on home, now
Gonna bring it on home, now
Gonna bring it on home, now
Gonna bring it on home, bring it on home to you
