

Needle Gun

Hawkwind

So you're alive,
I thought you was done

So you're alive,
I thought you was done
I'm gonna bring you down
With my needle gun
Feel my pin-prick tattoo your spine
Give it a minute,
Your life's entwined with mine

It's gonna make you run
Needle needle, needle needle gun
It's gonna make you run
Needle needle, needle needle gun

Hear my laughter
In your head
It's a pity, it's a shame
Nothing's been said
It's a vaccination joy
With the ultimate death toy
It's gonna make you run
Needle gun, needle gun

It's gonna make you run
Needle needle, needle needle gun
It's gonna make you run
Needle needle, needle needle gun
So you're alive,
I thought you was done
I'm gonna bring you down
With my needle gun
Feel my pin-prick tattoo your spine
Give it a minute,
Your life's entwined with mine

It's gonna make you run
Needle needle, needle needle gun
It's gonna make you run
Needle needle, needle needle gun

Hear my laughter
In your head
It's a pity, it's a shame
Nothing's been said
It's a vaccination joy
With the ultimate death toy
It's gonna make you run
Needle gun, needle gun

It's gonna make you run
Needle needle, needle needle gun
It's gonna make you run
Needle needle, needle needle gun

It's gonna make you run

Needle needle, needle needle gun
It's gonna make you run
Needle needle, needle needle gun
It's gonna make you run
Needle needle, needle needle gun
It's gonna make you run
Evil needle, needle needle gun
