

Nuclear Toy

Hawkwind

Nuclear facts are hard to take
Harrisburg, Windscale, it's no use to fake
Potassium iodide radiation drug
Won't save yourself from being a mug
It's a nuclear toy
A generator pumping out active gas
Polluting the atmosphere and killing en-masse
Strontium-90 cancer in the blood
Who's gonna pay for the radiation flood?
M4 missile cruising in the sky
Setting off catastrophe in a flickering of an eye
Radiation fallout it's a setting sun
Looking down the barrel and firing the gun
Nuclear death is sweeping the Earth
Babies being born deformed from birth
Mutations are working in the factories
The landscape's full of artificial trees
