Silver Machine

Hawkwind

I, I just took a ride on a silver machine and still feeling mea n Oh, do you want to ride, see yourself going by The other side of the sky? You gotta know where I've been And it flies sideways through time, it's an electric line To all the zodiac signs I got a silver machine (Silver machine) I got a silver machine (Silver machine) I got a silver machine (Silver machine) In my silver machine It flies out of a dream, it's antiseptically clean You gotta know what I mean Oh, do you want to ride, see yourself going by The other side of the sky in a silver machine? I got a silver machine (Silver machine) I got a silver machine (Silver machine) I got a silver machine (Silver machine) In my silver machine I just took a ride on a silver machine and still feeling mean Oh, do you want to ride, see yourself going by The other side of the sky? You gotta know where I've been I got a silver machine (Silver machine) I got a silver machine (Silver machine) I got a silver machine (Silver machine) In my silver machine Silver machine Silver machine Silver machine Silver machine
