

# Time We Left This World Today

Hawkwind

Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today

Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today

So many people seem to say  
So many people seem to say  
So many people seem to say

They watch you as you walk the street  
They watch you as you walk the street  
They watch you as you walk the street  
They watch you as you walk the street

Cast sly glances at who you meet  
Cast sly glances at who you meet  
Cast sly glances at who you meet

Brain police are not far behind  
Brain police are not far behind  
Brain police are not far behind  
Brain police are not far behind

Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today

Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today

So many people seem to say  
So many people seem to say  
So many people seem to say

They watch you as you walk the street  
They watch you as you walk the street  
They watch you as you walk the street

Cast sly glances at who you meet  
Cast sly glances at who you meet

Brain police are not far behind  
Brain police are not far behind  
Brain police are not far behind

Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left  
Time we left  
Time we left  
Time we left
