Watching The Grass Grow

Hawkwind

We are the Survivors The eternal survivors Androgynous energies Travelling through time Particle Accelerators Morality Degenerators Dadata Disseminators Cyclotron attenuators Hyperspatial Conflagrators MEST Integrators Well your neutron bomb neutralised your history Wiped cancer from the Earth, and mystery Now we're pushing over concrete Blowing up the rockery Watching the garden Letting the grass grow Letting the grass grow We all know where the flowers went today Media explosion blew them all away After the thunder Always comes the rain We're coming up again Letting the grass grow Letting the grass grow Post future reality, it's a better real world Post future reality, it's a real better world Post future super-reality, it's a real super world Post holocaust hilarity, it's a super real world Post future surreality, it's sure a surreal world Post future surreality, it's a real surreal world Tell me Doc Spock have you got all your answers Ephemeral vision recalling the dancers Picking up the pieces In a progress picture Taking ?????? to his ?????? Letting the grass grow Watching the grass grow Pieces of the omniversal zoo But will we survive? We always do We're coming up again We're coming up again We're coming up again Watching the grass grow Watching the grass grow Watching the grass grow
