## Hawthorne Heights

How should I say?  
That I never want anything to change  
If I rearrange the pieces of broken down flame  
Do you believe in me?  
Because I'm not sure  
I believe in anything, anymore

We cut the pieces in  
Make me understand  
Why can't we move any faster?  
Losing all the demands  
I broken all my plans  
This year was a disaster

What should I do?  
When I never thought anything would come true  
The solution for the broken down abuse  
I'm waiting for, fading for  
To let me fall on through  
I'm getting closer  
To letting go, letting go of you

We cut the pieces in  
Make me understand  
Why can't we move any faster?  
Losing all the demand  
I broken all my plans  
This year was a disaster

What you don't know  
Will only make things worse  
(4x)

We cut the pieces in  
Make me understand  
Why can't we move any faster?  
Losing all the demands  
I broken all my plans  
This year was a disaster
