

Dreams

Hayden Panettiere

It'll take you far fast and hard
Keep you longer than you thought you'd stay
Grab your soul, won't let go
And be with you when you're wide awake

Dreams, dreams
Sometimes, it seems
I'm haunted by my dreams
Pray, oh, I pray
'Cause I know these dreams
Can carry me away

Where would I be, lost or free
The cost is cheap when you know you need
A helping hand, a guiding light
Somewhere to go on my darkest night

Dreams, dreams
Sometimes, it seems
I've been saved by my dreams
Pray, oh, I pray
'Cause I know these dreams
Can carry me away

Dreams, dreams
Sometimes, it seems
I'm haunted by my dreams
Pray, oh, I pray
'Cause I know these dreams
Can carry me away

'Cause I know these dreams
Can carry me away
