

I Fly

Hayden Panettiere

La La La La, La La La La
La La La La La La
La La La La, La La La La La

Six AM
Radio Playin'
Stumble out of bed
Runnin' out the door
A brand new day
Never thought I'd have this feeling
Never thought I'd get this far
But I'm okay

And I fly
I reach out my hands and touch the sky
That's right in front of me
And I try
Just let go, relax, enjoy the ride
And I feel free

When I fly
When I fly

Thinkin' back
When there were days
I could barely make it out the door
So much doubt
Changed my mind
Change my ways
Wasn't gonna do this anymore
I turned around

And I fly
I reach out my hands and touch the sky
That's right in front of me
And I try
Just let go, relax, enjoy the ride
And I feel free

Like a butterfly
Who lost his soul
I choose not to hide
Anymore

Fly
Oh oh oh
Fly

And I fly
I close my eyes and kiss the sky
That's right in front of me
And I try
Just let back, relax, enjoy the ride
And I feel free

And I fly
I reach out my hands and touch the sky

That's right in front of me
And I try
Just let go, relax, enjoy the ride
And I feel free

When I fly
When I fly
When I fly
When I fly
When I fly

La La La La, La La La La
La La La La La La
La La La La, La La La La
