

# I Fly

Hayden Panettiere

La La La La, La La La La  
La La La La La La  
La La La La, La La La La La

Six AM  
Radio Playin'  
Stumble out of bed  
Runnin' out the door  
A brand new day  
Never thought I'd have this feeling  
Never thought I'd get this far  
But I'm okay

And I fly  
I reach out my hands and touch the sky  
That's right in front of me  
And I try  
Just let go, relax, enjoy the ride  
And I feel free

When I fly  
When I fly

Thinkin' back  
When there were days  
I could barely make it out the door  
So much doubt  
Changed my mind  
Change my ways  
Wasn't gonna do this anymore  
I turned around

And I fly  
I reach out my hands and touch the sky  
That's right in front of me  
And I try  
Just let go, relax, enjoy the ride  
And I feel free

Like a butterfly  
Who lost his soul  
I choose not to hide  
Anymore

Fly  
Oh oh oh  
Fly

And I fly  
I close my eyes and kiss the sky  
That's right in front of me  
And I try  
Just let back, relax, enjoy the ride  
And I feel free

And I fly  
I reach out my hands and touch the sky

That's right in front of me  
And I try  
Just let go, relax, enjoy the ride  
And I feel free

When I fly  
When I fly  
When I fly  
When I fly  
When I fly
