

# Someone Like You

Hayden Panettiere

I've waited so long  
For a boy like you  
To make things perfect  
Fantazilating and true

I've waited, too  
For someone like you  
To make things perfect  
Dancing and sharing and dreaming we do

Both of us searching  
And racing through space  
On an endless afternoon  
I wish I could find the mysterious man in the moon  
You hopeful smile gives me courage to see  
What our love is made of  
Making things perfect

I need a boy like you  
(I need a girl like you)  
I need a boy like you  
(I need a girl like you)

I've waited so long  
(I've waited so long)  
For a boy like you  
(For a girl like you)  
To make things perfect  
Sharing my secrets with you

I've waited, too  
(I've waited, too)  
Your eyes so true  
(Your eyes so true)  
Keeping my secrets  
Giving me treasures and a sense of our love

Both of us searching  
And racing through space  
On an endless afternoon  
I wish I could find the mysterious man in the moon  
You hopeful smile gives me courage to see  
What our love is made of  
Making things perfect

I need a boy like you  
(I need a girl like you)  
I need a boy like you  
(I need a girl like you)
