

Carry On Mentality

Hayden

So Carry On, Mentality
It's a screwed up, Excuse
It's a part of your, Personality
It's a pain in... the ass

Chorus
What did I do to deserve this?
Was I doing something wrong?
How did I cause this disturbance?
I think I'll write you a song

It's a Monkey shaped like a man
He has a tray in his hands
Was a fortune, I'm not sad
I put a candle in his tray, I'm Glad

Chorus
