

I'll Tell Him Tonight

Hayden

I remember the day it came
Flashing lights and sirens rang
They took you and put you inside
I walked the house ten times

And I'm riding down to let you know
That I love you although it doesn't show
When we argued about the car

I want you to know
That I am so
Thankful that you're here

How come everything has to change?
I wish were 4 and 6 and in the rain
When we were 6 and 8 we dressed the same
When we were 24 and 26 I wrote this down

And I'm coming down to let you know
That I love you though it doesn't show
When we argued about the car

I want you to know
That I am so
Thankful that you're here
