```
I considered your letter
I understood your questions
```

I'm wasting away,
I've gone astray,
Take me away,
I know what you'll say.
I'm to blame,
Didn't want change,
Things can't stay the same way.

Come get me, I'm ready My minds changed Will you take me?

I'm wasting Away
I've gone astray
Take Me away
I know what you'll say
