

You Are All I Have

Hayden

You are all I have
You are all I have
You are all I have

If you go away I don't think that I will survive
I'll wait outside the front door 'till you arrive
The light of day will shine inside of your eyes
Inside your eyes I'll see me there by your side

Am I all you have
Am I all you have
Am I all you have

If I go way I know that you will survive
You're stronger than me, I have just realized
You won't be outside of the door 'till I arrive
The light of day will shine inside of your eyes
