

Hunting Man

Hayley Kiyoko

You got me holding on
To things I had before
You got me saving it for you
You got me saving me for you

You got me holding on this life
That I once had for a price
Stop calling me
Stop calling me for favors

And oh-oh we don't talk
And no-oh I will not
Let you be the fox
I'm no game

These woods I walk around I'm walking out
Cause I've seen this coming from behind the corner

Oh, oh, oh, oh, oh! You are a hunting man
You set a cage and I bleed
Oh, oh, oh, oh, oh! I keep on running fast
Far away from your needs
Oh, oh, oh, oh, oh! You keep on coming back
You keep on coming back for me

I keep holding on
To things I had before
I keep saving it for you
I keep saving me for you

Oh I know I was blind
Cause I made you mine
Stop wanting me
Stop wanting me for favors

And oh-oh we don't talk
And no-oh you can not
Play me all you want
I'm no game

These woods I walk around I'm walking out
Cause I've seen this coming from behind the corner

Oh, oh, oh, oh, oh! You are a hunting man
You set a cage and I bleed
Oh, oh, oh, oh, oh! I keep on running fast
Far away from your needs
Oh, oh, oh, oh, oh! You keep on coming back
You keep on coming back for me

I keep holding on
To what I knew was gone
I keep waiting for you
I keep saving me for you

Oh I know I was blind
Cause I made you mine

Stop calling me, stop calling me

Oh, oh, oh, oh, oh! You are the a hunting man
You set a cage and I bleed
Oh, oh, oh, oh, oh! You got me running fast
Far away from your needs
Oh, oh, oh, oh, oh! You keep on coming back
You keep on coming back for me
