

This Side of paradise

Hayley Kiyoko

False start ya sleepy head
I'm caught in the day
With my nightdreams
And my mistakes
Tell your vision no your acting
The little boys go on pretending
They're wide awake

I'll settle on the dust
Settle on the dust

But I've got better luck in my head
We're just ghosts inside my bed
I've got better luck in my head
Playing poker with the dead

This side of paradise
This side of paradise
This side of paradise
This side of paradise

I'm not here nor anywhere
I wanna be with you, you're unaware
I am paperweight
I fantasise
A secret life and place where we hide
It feels right

I'll settle of the dust
Settle on the dust

But I've got better luck in my head
We're just ghosts inside my bed
I've got better luck in my head
Playing poker with the dead

This side of paradise
This side of paradise
This side of paradise
This side of paradise

I don't want to be anywhere else
Then anywhere else but here
(This is my paradise)

I don't want to be anywhere else
Then anywhere else but here
(This is my paradise)

I don't want to be anywhere else
Then anywhere else but here
(This is my paradise)

I don't want to be anywhere else
Then anywhere else but here

'Cause I've got better luck in my head

We're just ghosts inside my bed
I've got better luck in my head
Playing poker with the dead

This side of paradise
This side of paradise
This side of paradise
This side of paradise
