

Across The Universe Of Time

Hayley Westenra

When the sea falls from the shore
As the light sinks low, will I see you any more?
As the rain falls from the sky
Can I bring you back, from a distant lullaby?

Show me your vision, the story begun
Two lights are rising and burning as one

In the deep blue of the night
Shine the millions of stars and my spirit burning bright
Spinning on, into the sun, flying higher
Now my journey's begun... And the...

Cold, cold wind, it blows me away
The feeling all over is a black, black day
But I know that I'll see you again
And I know that you're near me

There's a star, calling my name
It's echo is true and the song is not the same
Take my hand and lead me away
Bring me back to you in your arms I'm going to stay...

Tell me your vision, the story begun
Two lights are rising and burning as one

All those years drifting in space
I have known you well, yet I've never seen your face
You turn around, looking at me, laughter in your eyes
And now I can see

And the cold, cold wind, it blows me away
The feeling all over is a black, black day
But I know that I'll see you again
And I know that you're near me
