

## Never Saw Blue

Hayley Westenra

Today we took a walk up the street,  
We picked a flower and climbed a hill above the lake  
Secret thoughts, u said aloud,  
We watched the faces in the clouds  
Until the clouds have blown away  
Were we ever somewhere else u know  
It's hard to say

I never saw a blue like that before  
Across the sky, around the world  
You're giving me all u have and more  
No one else has ever shown me how  
To see the world the way I see it now, oh I  
I never saw a blue like that

I can't believe  
A month ago I was alone  
I didn't know u, I've never seen you, or heard your name  
And even now, I'm so amazed it's like a dream  
It's like a rainbow, it's like the rain  
Some things are the way they are and words just can't explain

I never saw a blue like that before  
Across the sky, around the world  
You're giving me all u have and more  
No one else has ever shown me how  
To see the world the way I see it now, oh I  
I never saw a blue like that before

It feels like now, it feels always,  
And it feels like coming home

I never saw a blue like that before  
Across the sky, around the world  
You're giving me all u have and more  
No one else has ever shown me how  
To see the world the way I see it now, oh I  
I never saw a blue like that before

Oh, oh I, I never saw blue like that
