

# Over You

Hazel O'Connor

Did you think it's easy to leave me  
I dare you baby you try  
'cause if that's your fun, this game of hit and run  
I ain't gonna waste my life crying

Over you, over you  
I ain't gonna waste my life  
Crying over you

Well my mamma earth she said, heh I've seen love,  
I've seen hate, I've seen anger and pain  
And they stripped my body for all that it's worth,  
But ain't gonna waste my life crying

Over you, over you  
I ain't gonna waste my life  
Crying over you

The Moral of the story  
Is she tattered and torn  
Hell hath no fury  
Like a woman scorned
