

Will You

Hazel O'Connor

You drink your coffee
And I sip my tea
And we're sitting here
Playing so cool
Thinking, what will be will be

But's getting kind of late now
Oh I wonder if you'll stay now,
Stay now, stay now, stay now
Or will you just politely
Say goodnight.

I move a little closer to you
Not knowing quite what to do
And I'm feeling all finger and thumbs
I spill my tea
Oh silly me

But's getting kind of late now
I wonder if you'll stay now,
Stay now, stay now, stay now
Or will you just politely
Say goodnight.

And then we touch
Much too much
This moment has been waited for a long long time
Make me shiver, 'n' makes me quiver
This moment I'm so unsure
This moment I've waited for
Oh is it something you've been waiting for
Waiting for too

Take up your eyes
Bare your soul
Gather me to you
And make me whole
Tell me your secrets
Sing me the song
Sing it to me in the silent tongue

But's getting kind of late now
I wonder if you'll stay now,
Stay now, stay now, stay now
Or will you just politely
Say goodnight.
