

# Lips Of Poison

hazydecay

Like a bone in my body - alone like i got it - everybody in da house  
listening to my voice - a tone gives me sum kind of imagination  
-  
communication - violation of my words is strong inside this  
mudhafukkin' song - i'm lookin' 4 a crazy hazy - where're you  
daisy - place with your babyface that is gone - hahah oh so lon  
g - so  
waddagoddamn mudhafukka watcha gonna say - suck it fuck it vomit  
- ya gotta be da same - ya gonna feel it long -  
yo with this song

chorus:

i die with this song on my lips full of poison - i die with you  
rself and  
no pride

My friendz were surprised when they realized that all the time  
i'm  
living eventually killing i'm just fighting against me myself -  
lying on  
a shelf watching this hell on earth - from death to rebirth - l  
ike i  
play a Russian roulette - golden game with a bullet - who's got  
the  
strength to rule it - you fool? confrontation is an isolation t  
ime to  
confess to let bless sumone else - aiming at your head dissolvi  
ng in  
red!

chorus:

i die with this song on my lips full of poison - i die with you  
rself and  
no pride

aiming at your head - dissolving in red - everybody's satisfied  
-  
sumbody's lost - gotta get into this party - enjoy the sick and  
proud  
- cumon this party's starting - bomb da scene now!
