

Lovesong

Hb

For you alone my Father
For you alone my Father
For you alone my Father
For you alone my Father
For you alone have my love, oh Father.

For you alone my Father
For you alone my Father
For you alone have my love, oh Father.

You are love, from you comes all
Even death could not hold you.
Now I know, I so love you
Jesus you are my Saviour. You reign!

There's no one else like you God
There's no one else like you God
There's no one else who can compare with you.

You are love, from you comes all
Even death could not hold you. (You live!)
Now I know, I so love you
Jesus you are my Saviour.

You are love, from you comes all
Even death could not hold you. (You live!)
Now I know, I so love you
Jesus you are my Saviour.
Hey, I want to be more like you Father,
You are everything to me.
Still the good I should do I do not do
Weren't you everything to me?

I know faith comes from you
That's why I need you,
so please fill me with your power
I don't wanna lose your loving presence,
Disobeying your Holy Spirit.
