Let's go to the party now and have some fun for tonight
The people are shiny I'm glad to stuck around

Let's go to the club it's time to see some friends of mine
And feel the warmth of their hearts

Ref: Vodka with Redbull, beer and wine na na na

I'm searching for chicks I need to put my dick inside
I'm healthy I'm rich, they want me to be their daddy yeah

I'm sitting with two of them one blonde the other one is dark
She's sucking my mouth, my pants unlocked

I'm so grateful, I'm in paradise
